**Please type down the points that we need to take care of. For example: Education is the fundamental point to look after. Please DO NOT write down something like your country's stances.**

Fundamental education

College education(to be able to alter the situation, especially the dictatorship of Africa)

Provide short term scholarship, to encourage students to service in their mother country

1. Reminds all member states that education is a fundamental part of tackling post-colonialism in such ways but not limited to:
  - a. providing scholarships for the students who are going to study abroad in foreign university
  - b. let the student receive scholarships to go back to their home country to improve their own system
  - c. reinforcing The International Decade for the Education of Colonialism
  - d. education should be open minded and diverse in different point of view
2. Trade and Industry
  - a. strongly urged the past colonists to support the refz
  - b. Support import substitution
  - c. Promote industrial reformation
  - d. Encourage investment o
  - e. Regional Trade organisation to be promoted
3. Realizing the importance of funding for project executionp-09 a project,strongly urged Funding
  - a. World Bank
  - b. IMF
  - c. IDA
4. Feedback
  - a. Human resources
  - b. investments = making money for both (colonial countries get the chance to reform industries while huge countries can be benefit)
