- g) Use basic education, which start in kindergarten to promote aboriginal culture and increase course about native residents, boost the ethnic identity and respect various culture.

Questions to consider

1. How much have our countries been dependent on other countries? Any external debts?
2. What other problems do we face together?
3. Why do we need to work together?
4. What is the role of ECOSOC to strengthen our economies?
5. How do we cooperate with each other?
6. What measures could benefit all of us?
7. What are some successful examples of post-colonial countries?
